WORLD ADVENTURE TRIP

Emily

Age: 31
Occupation: Marketing specialist
Location: Boston

Emily is a marketing specialist working at a small agency. She uses her vacation time to travel twice a year, carefully planning each trip in advance. Organized and detail-oriented, she enjoys exploring new destinations and prefers to build structured itineraries. She's drawn to nature, cultural experiences, and hidden gems off the typical tourist path.

Habits

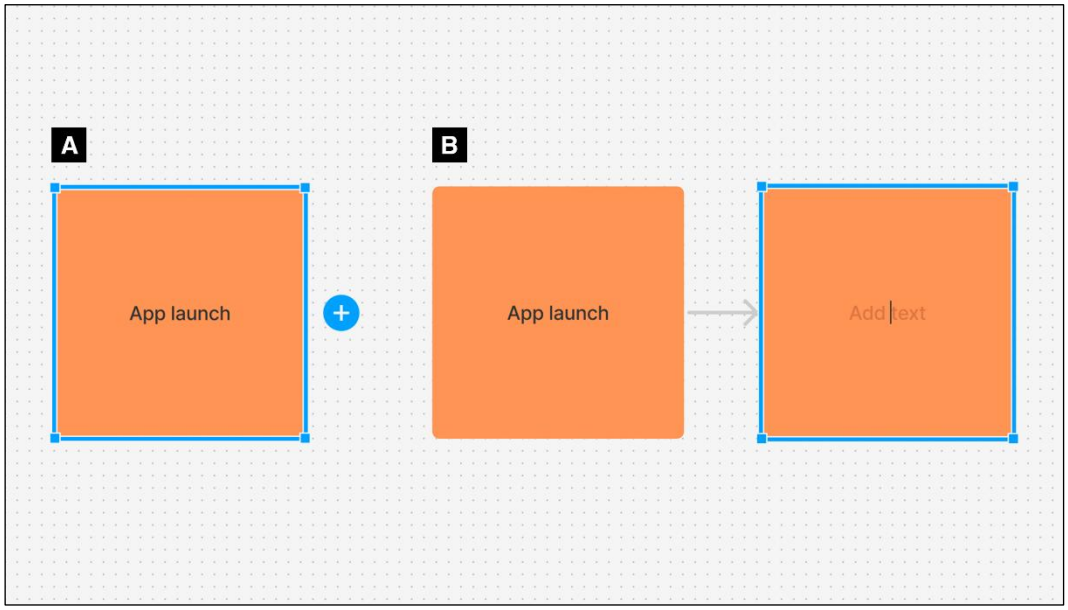

- Uses travel apps for inspiration
- Prefers detailed travel plans
- Enjoys exploring on foot

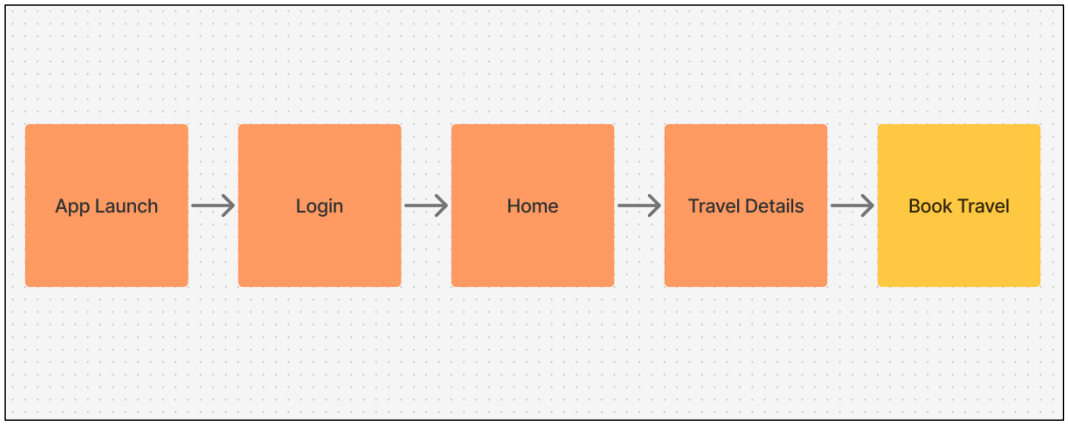

Needs

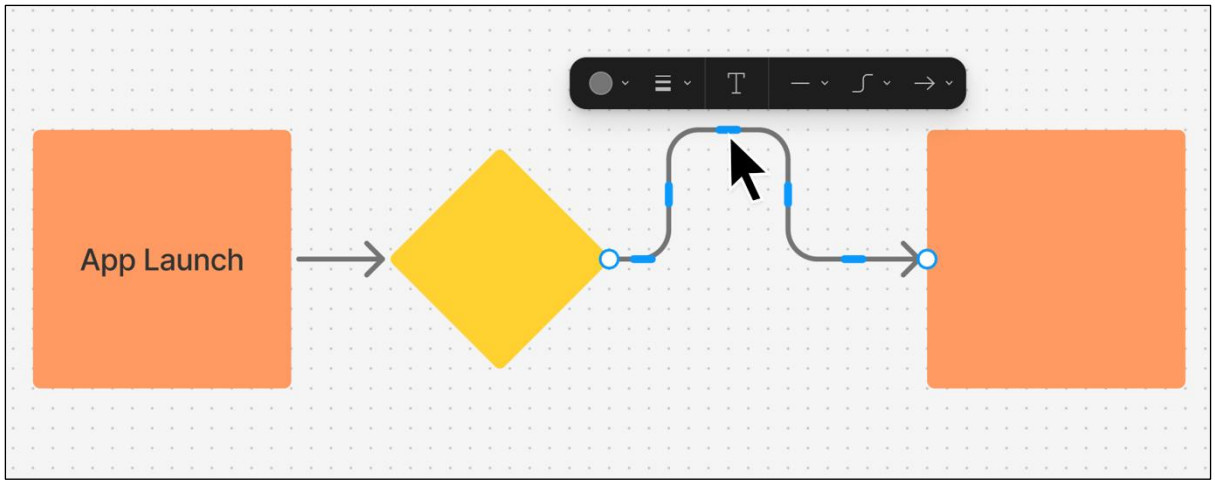

- Easy ways to organize trip ideas
- Reliable tips and recommendations
- Customizable itineraries

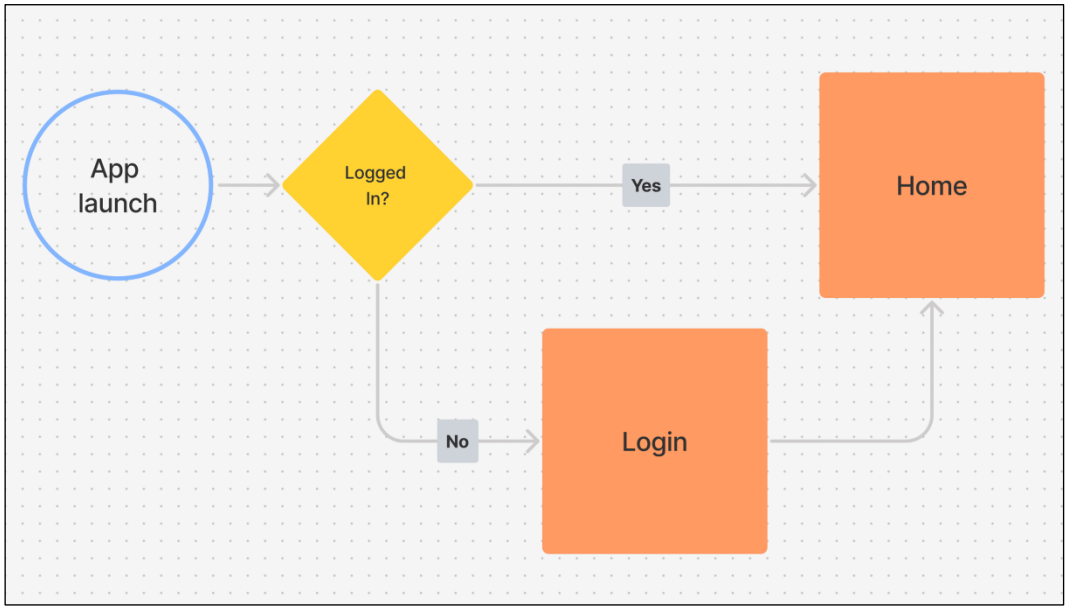

Frustrations

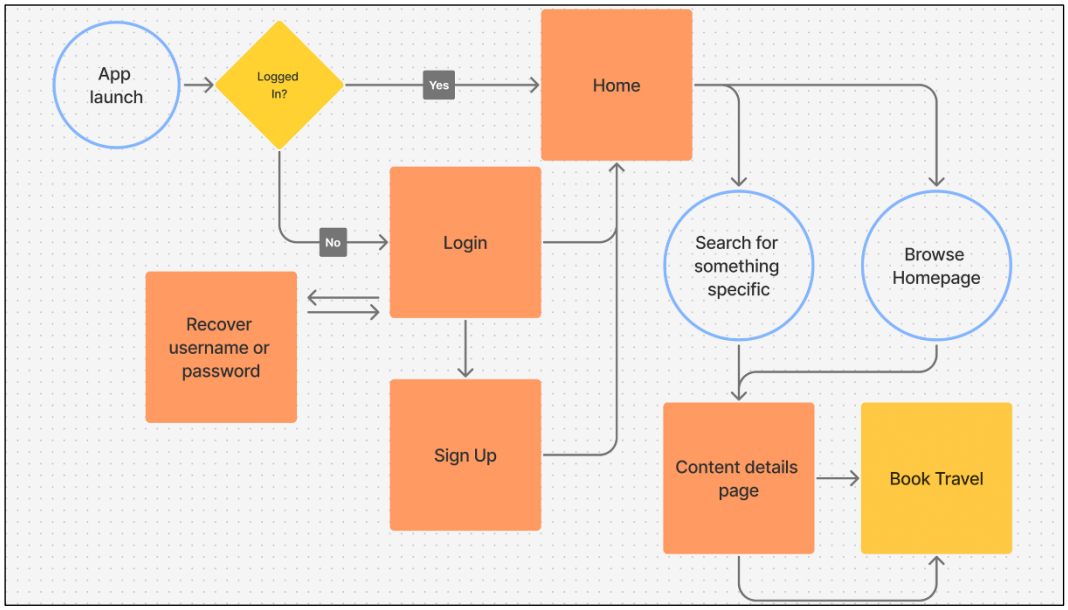

- Overcrowded tourist spots
- Unreliable travel information
- Time-consuming trip planning

Create a mobile home screen for a travel planning app with a search bar, a destination carousel, and a bottom navigation bar.
Reasoning
I'll create a mobile travel planning app home screen with a search bar, destination carousel, and bottom navigation. Let me build this with separate components for better organization.
I've created a mobile travel planning app home screen with a clean, modern design. The app features a gradient header with an integrated search bar, a swipeable carousel showcasing popular destinations like Paris, Tokyo, and Bali, and a fixed bottom
